People on the move: March 23

WALNUT CREEK

AEI Consultants has expanded its commercial real estate HUD-related service offerings with the addition of **Staige Miller** as director of environmental services and **Jeb Bonnett** as director of building assessments.

Miller and Bonnett will also work closely with **Glenn Adams**, director of energy services, **Scott Cameron**, director of construction risk management, and **Peter Millar**, executive vice president, building assessments.

Miller joins AEI after 17 years as director of environmental services with Dominion Due Diligence Group.

Bonnett joins AEI following 12 years as a business project manager at Dominion Due Diligence Group.
